Shipping delays on Wheeled Chimera Kit, Conversion Beamers and Death Angel Doors

Due to unforeseen delays with one of the resin casting companies that makes our newest kits, we are behind on shipping the Wheeled Chimera conversion kits, Beamer Conversion kits and the Death Angel Land Raider door kits.

I am working on having another company also produce these pieces and they will be tooling up ASAP to do so (this would mean 2 casting companies producing these pieces till we catch up). A safe estimate to get those orders out would be 2-4 weeks. Obviously the earlier you had your order in the earlier your order will be shipped.

This delay has also affected the Storm Raven TRU-Scale kit as well, and we are shipping the pre-orders out as soon as possible (about 80% complete). I will not be putting the Storm Raven conversion kit for general sale until I have a reserve stock of at least 50 kits on hand for immediate sell. Pre-orders on these were beyond my expectations.

If anyone wishes to cancel or modify their outstanding orders due to the unforeseen delay, please contact me at nick@chapterhousestudios.com and I will do my best to help you.

Sincerely,

Nick Villacci - Chapterhousestudios.com
